TURNTABLE CONSTRUCTION MATERIAL TRAILERS 18t HD 18

HIGH LIGHTS

The HD18 Construction Material trailer boasts high-quality craftsmanship and makes for a particularly trusty companion. The hot-dip galvanised frame in particular ensures a high level of robustness and a long service life. The combination of a flatbed and a turntable naturally complies with all industry standards. Even more: Thoughtful details make the trailer simple and convenient to use in everyday applications.

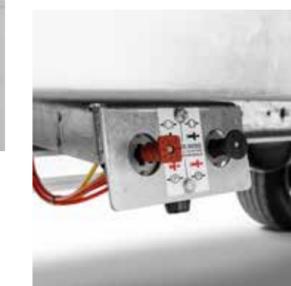

Recessed ascending steps (optional)

Tyre pressure monitoring system according to ECE-R 141

Ingenious functionality down to the last detail

EASY TO LOAD AND UNLOAD

- Full loading width thanks to the curved tailgate
- Practical climbing aid
- Ideal for crane or fork-lift loading

USE IT FOR LIFE

- Galvanised frame and turntable
- Solid, welded chassis frame made of fine-grained steel
- Height-adjustable drawbars
- Weight-optimised construction

SECURE TRANSPORT

- Numerous lashing options thanks to the perforated frame
- Optimal load securing
- SAF axles with disc brakes
